Give us a heads up (229-9214, cellobob@gmail.com, 249-8084 improvisant@gmail.com) if you switch, especially **between brass (in blue) and strings**. Try to switch with someone taking the **same length lesson** as you (or switch with a person with less length of a lesson and give that person the gift of extra time in appreciation for the switch). Thank you!
